

Contact Form

Please use this contact form to send

- Download link request
- Request instructions for use
- License documents request
- Purchase orders
- Other requests

Please note that for receiving a software download link, you must provide verifiable evidence of your orthodontic expertise, e.g., by a web site or related documents, as the software is a medical device that may only be used by professionally qualified personnel ("Rx Only").
No answer will be sent if form data is incomplete or incorrect.
